

Quality, Health, Safety and Environment (QHSE)

Assurance Specialist

BWSC is taking the next important steps in our QHSE journey, and we are looking for a skilled and dedicated specialist to support us. Are you self-motivated, ambitious, and ready to contribute to improving our workflows, strengthening the health, safety, and well-being of our employees, while maintaining our focus on the environment?

BWSC is rapidly evolving, and we want you to be part of the team!

BWSC – Ever better energy!

Join us in our mission in building a world of sustainable energy and make a meaningful impact on the world of power generation and energy conversion.

BWSC is a leading player in the power generation industry, specializing in the service, operations, and maintenance of power plants. We are at the forefront of sustainable energy solutions, working closely with Original Equipment Manufacturers (OEMs) to develop and construct cutting-edge power-to-x facilities. Our commitment to excellence, innovation, and environmental stewardship sets us apart in the industry.

The position

As our new QHSE Assurance Specialist, reporting to the Senior QHSE Manager, you will have a central role in ensuring that we meet the highest QHSE standards. Your primary responsibilities will include:

- **Ownership of the group's assurance program:** You will be responsible for driving and developing our assurance program across the organization.
- **Internal QHSE audits:** Conducting internal audits, including ISO standards, to ensure compliance and identify opportunities for improvement.
- **QHSE management in DK:** Including being the lead facilitation of our Working Environment Organisation.
- **Reporting to management:** Support the preparation of reports for the Executive Board, leadership team, and operational departments, providing insight into our QHSE performance.
- **Quality management of internal reporting systems:** Ensuring that our internal systems support effective reporting and data collection.
- **Development of core business processes:** Contributing to the development and optimization of our core business processes.

What do you bring to the field

Your personality and commitment are crucial to us. We are looking for a candidate who is:

- **Self-starting and proactive:** You thrive on planning and managing your own workday and taking the initiative to solve challenges.
- **Communicative:** You can communicate clearly and effectively at all levels of the organization.
- **Relationship-building:** You are able to build strong and trusting working relationships.
- **Curious and eager to learn:** You have natural curiosity and a desire to learn more about BWSC and QHSE.
- **Flexible and adaptable:** You are open to adapting and contributing to shaping this new role.

While knowledge of QHSE is a requirement, you will receive the necessary support to expand your technical knowledge.

What do we offer?

By joining BWSC you get the chance to impact and contribute to meaningful projects that promote sustainability and environmental responsibility. We offer an exciting position in a dynamic, skilled, and collaborative work environment. Further we promote opportunities for professional development and growth.

We have a good canteen, fitness facilities, and an active Staff Club contributing with various types of events and activities. Our HQ is placed in Allerød, near the train station and only a 30 min. ride from centre of Copenhagen.

We look forward to hearing from you

We will review applications and proceed with relevant candidates on an ongoing basis, so please make sure to apply as soon as possible – and **no later than 31st of May 2025**. We look forward to receiving your application, if you have any questions regarding the position, please do not hesitate to contact **Craig Critchley** at crcr@bwsc.dk.

BWSC wants to promote equality and diversity. We encourage all qualified candidates to apply - regardless of ethnic background, gender, sexual orientation, disability, religion, or age. We therefore recommend not stating age etc. on application documents.

Get to know us even better at our website, www.bwsc.com, where you can learn more about our projects, our strategy and what we want to achieve at BWSC.

BWSC no longer receive, or handle applications received via email due to the directives of the GDPR. For your application to be processed, you must submit your application via our online recruitment system.

About BWSC

Burmeister & Wain Scandinavian Contractor A/S (BWSC) is a global power plant Operation & Maintenance and technical service provider with engineering expertise, enabling power plant owners to deliver cleaner and affordable energy. We are experts in servicing, upgrading, operating, and maintaining energy systems for diesel, natural gas, and renewable baseload power plants. We help our customers increase reliability and availability of energy production, improve efficiency and performance of their power plant, design and integrate future-proof technologies, and secure lower cost of maintenance. At BWSC, we work with customers in Europe and beyond to tackle energy storage, carbon capture, Power-to-X and related energy transition challenges.

Our people are at the core of everything we do and key to a positive relationship with our customers. We invest in our people and their wellbeing, to ensure continued success and growth of the company.
